

CORPORATE PARTNERSHIPS - 2025

SEATON CAREW GOLF CLUB

- The 10th oldest golf club in England and one of the first 50 golf clubs ever formed, golf has been played here since 1874
- Our links have changed significantly over the last 149 years, however Dr Alister Mackenzie is credited with much of the design influence. Mackenzie also designed Augusta National, as well as Cypress Point
- Seaton Carew is currently ranked 46th in England (National Club Golfer)
- In 2024, we will host the English Amateur. As one of the most prestigious events in the calendar, significant exposure will be given to the club in our 150th Anniversary year
- Our club is the heartbeat of the local community, and beyond our famous links we are known for our welcoming hospitality and friendly atmosphere
