In the time I have known Alex I have witnessed Alex's commitment and drive to improve all aspects of Seaton Carew Golf Club. As well as holding the position of Club Manager Alex is an active playing member of the club and also sits on the Durham County Executive, the first from SCGC since Edward Bunting. This allows him to promote SCGC at the highest level in the county.

Alex's knowledge of the game of golf and his commitment to excellence exemplify his love of the game and of Seaton Carew Golf Club. I would be very happy to have Alex as my Vice Captain in 2026 and I am sure Alex would make an excellent Club Captain in 2027.
