Resume

(Maximum 100 words)

I joined SCGC as a junior in 1999 and have proudly served on the Committee for the past three years as Property Chair. In that time, I've worked through challenging financial periods to deliver upgrades that reduce operational costs, improve safety, and support long-term sustainability. I've known a wide range of members since my earliest days at the club and have always been happy to help wherever I could. My focus is on what's best for SCGC as a whole not just individual interests, so the club can thrive and be a place all members are proud of.
