Nominations to be received by 31st October 2025

**Mr. Christopher H Pailor**

**27<sup>th</sup> October 2025**

I have been an active member of Seaton Carew Golf Club for over 20 years, utilising both the club and the course. Having recently retired, I would like to have more impact in the club I use.

I worked fulltime as an automotive engineer for over 40 years, locally, nationally and internationally both on a practical level, development of staff and as a manager in garages. The last 23 years of my career were spent running a successful local garage of my own. I feel I have the skills and expertise to make or support decisions which will make the club more viable and even more successful for its' members.
