I take great pride in Seaton Carew Golf Club, having been a former Junior Captain and a committed representative in competitive golf. My knowledge of the sport, combined with my business experience gained in large corporate organisations, allows me to bring both strategic thinking and practical insight to the General Committee. I am passionate about the club's continued success and committed to ensuring that all decisions serve the best interests of the club and its members. I offer balance, enthusiasm, and a fresh, youthful perspective that supports the club's traditions while driving it forward for future generations.
