

AGM 5th December 2025

Resolution 4.

Rule 11.(e) MEMBERSHIP OF THE CLUB: *that the rule be titled as follows:*

Rule 11.(e) MEMBERSHIP OF THE CLUB – APPLICATIONS

That the rule be amended from:

“The Club may refuse membership or expel from membership only for good and sufficient cause such as conduct or character likely to bring the Club or the sport of golf into disrepute. Appeal against such a decision may be made in accordance with the Club’s Disciplinary and Appeals procedure for the time being in force.”

To read:

“The Club may refuse membership or expel from membership only for good and sufficient cause such as conduct or character likely to bring the Club or the sport of golf into disrepute.”

NOTE: This changes Rule 11.(e) to deal only with applicants and distinguishes it from Rule 24.(a) which applies to Members. As they are not members, an applicant does not have the right of appeal under the Club’s Disciplinary and Appeals Procedure.
