

AGM 5th December 2025

Resolution 9.

Rule 24.(a) TERMINATION OF MEMBERSHIP: *that the Rule be amended from:*

“The Committee shall have power to terminate or suspend the membership of any member who shall offend against the rules of the Club or whose conduct shall, in the opinion of the Committee render him or her unfit for membership of the Club.”

To read:

“The **Club** shall have power to terminate or suspend the membership of any member who shall offend against the rules of the Club or whose conduct shall, in the opinion of a **Disciplinary Panel**, render him or her unfit for membership of the Club. **Any allegations of such offences or conduct shall be investigated by the Club in accordance with the Club’s Disciplinary procedure in force for the time being. The Club may only expel or suspend membership for good and sufficient cause such as conduct or character likely to bring the Club or the sport of golf into disrepute.**”

NOTE: This clarifies the difference between Rule 11.(e) and 24.(a) with the latter applying to Members only. It also clarifies the recent change to the Disciplinary procedure which has removed the Committee from the Disciplinary process.
