The 2026 Seaton Senior Salver took place on Tuesday 5<sup>th</sup> May and as usual there was a strong field of more than 140 senior golfers participating. The day began with fairly warm, calm conditions which undoubtedly gave the early starters a slight advantage, especially as the wind strengthened from the north-east as the day progressed.

The eventual Salver winner was John Kirkpatrick, who plays off +1.6 and is from Ramside Hall. His impressive round of 73 gross was equalled by Ian Backhouse from Sandmoor and it required a count-back of the last 9-holes to separate them.

All three divisions were closely contested with some good scoring across the board despite the tougher conditions in the afternoon.

Booking for the 2027 event went live on Wednesday 6<sup>th</sup> May and the majority of tee times have already been filled, which bodes well for another great event next year.
